## ABOUT FREAKSHOW BOOKS

Located in Hollywood, California, Freakshow Books is an independent book publisher with a lusty penchant for subversion. If it's literary and gritty, pulpy, edgy, cutting, bizarre, outrageous, hilarious, seditious, drunk, arty, action-packed, and/or absurd, then it's probably our cup of tea.

We love danger. Extra limbs. Grifters. Secret treasure. Obsession. Fortune tellers. Gumshoes and spies. '70s haircuts. Unsolved mysteries. Jujutsu. Duchamp's urinal. Secret plots. Nancy Drew. Entheogens. Bullfights. Pirates. Grime. Neologisms. Capers. Animals. Found footage. Weird performances. Double-crosses. Empty dirt lots. Missing teeth. Sleight-of-hand. Screeching tires. Being tied up. Drinking. Bruised knuckles. Mental cases.

And if you're into that too, we think you might like our books.

Thank you for supporting independent publishing. Freakshow Books is a member of the Independent Book Publishers Association (IBPA).
